AMERICAN MUSIC SHOWCASE **PETER CASE** WITH LOCAL HOST **PETER MAY**

"Peter Case has always been one of my absolute favorite songwriters but his new, intimate and honest CD should make him one of everyone's favorite songwriters. Its mix of folk, blues, love, humor, tragedy, morality and compassion make Let Us Now Praise Sleepy John a very welcome survival guide for these crazy times we live in."

VAGABOND SAINTS SOCIETY PRESENTS **A TRIBUTE TO ELTON JOHN**

The Vagabond Saints' Society is a loose collective of Triad-area musicians that gathers to pay tribute to the great - and sometimes the not-so-great - artists of the pop-music era. The VSS performs musical toasts to a continually changing list of subjects - sometimes classic albums, sometimes an artist's greatest hits, and sometimes a particular genre or concept. Past shows have included music by the Beatles ("Rubber Soul"), Boston, Bob Dylan, Fleetwood Mac ("Rumours"), John Lennon, Tom Petty, R.E.M., Spinal Tap, Van Morrison, and the early 90's "Madchester" dance-rock scene.
